## FILING A MOTION WHEN THE PARTIES DO NOT AGREE

If filing a General Motion, Motion to Modify or Enforce Child Support, or Motion to Modify Previous Decree/Judgment/Order (parties do not agree):

1. Prepare a *Motion, Request for Hearing, Notice of Hearing, and Subpoena* (if applicable). Prepare an original set of documents plus three (3) sets of copies of each form. Sort the documents according to title and staple each one separately. The originals of each form should be placed on top of its copies and then paper clipped together. **For example:** Place the original Motion on top with the stapled copies underneath, and paper clip them together. Repeat the procedure for the Request for Hearing and Notice of Hearing.
2. Prepare three (3) *stamped and addressed legal sized envelopes*. Two (2) envelopes should be stamped and addressed to the opposing party (or his/her Attorney) and one (1) envelope stamped and addressed to you. **Note:** If the opposing party is not represented by an attorney and you do not have a home address, it may be acceptable to use their work address.
3. **Note:** If CSED is a party, you must also prepare two envelopes stamped and addressed to CSED as well. One envelope will be used to mail a copy of the Motion to CSED. The other envelope will be left at the court when you file your motion so that the notice of the hearing can be mailed to CSED from the court.
4. A filing fee of **\$137.00** is required if the case has been closed for more than ninety (90) days and you want to request a hearing. When you are ready to file your documents, submit **\$137.00, if applicable**, (in the form of cash, a money order, or cashier's check made payable to District Court Clerk) with your original documents, copies and envelopes (stamped and addressed for all parties) to the **Domestic Relations Clerks Office, Room 240 (second floor)**, of the Bernalillo County Courthouse, located at 400 Lomas Blvd. NW, Albuquerque, NM between the hours of **8:00 A.M. - 4:00 P.M., Monday - Friday**. Personal checks and credit cards are not accepted.  
**NOTE:** If the case is pending, a filing fee of **\$137.00** is not required.
5. The Clerk will file the original documents, endorse stamp your copies, and will return two (2) sets to you. One set of copies is for your records and the other set is for the opposing party or his/her Attorney. Send endorsed copies of the motion and request for hearing in one of the envelopes you addressed to the opposing party (or his/her attorney). It is your responsibility to inform the opposing party you have requested a hearing and what it is concerning.
6. Service (Notice to the Other Party)
  - a. Is the case pending/open when you file your motion and request a hearing? If yes, then service is complete upon mailing documents as listed in Step 5.
  - b. If the case is closed when you file your motion and request for hearing, did it close within the last 90 days? (Hint: if you had to pay the filing fee or apply for free process, your case was most likely not closed within the

last 90 days). If yes, then service is complete upon mailing documents as listed in Step 5 above. Exception: If your case closed due to Lack of Prosecution, a filing fee will be paid after 30 days and service will be required.

c. If the case is closed and it has been closed for greater than 90 days at the time you file your motion and request a hearing, you will need to serve the other party and CSJD, if applicable. See the attached document *Service of Process* for instructions on how to complete service.

7. The assigned judge's assistant will send a scheduled *Notice of Hearing* to all parties in the envelopes provided by you. This notice will inform you of the hearing date and time.

#### FILING A MOTION WHEN THE PARTIES AGREE

If filing a Motion to Modify Previous Decree/Judgment/Order (when parties agree), prepare a *Motion, Stipulation for Modification of Previous Decree/Judgment/Order, and Order of Modification*.

1. Prepare an original set of documents plus three (3) sets of copies of each form. The *Stipulation* and *Order* must be signed by BOTH parties.
2. If the parties are changing the primary residence for a minor child(ren) from one party to the other or are changing the amount of child support paid, a Child Support Worksheet must be submitted using the NM Child Support Guidelines for calculation. The worksheet must be signed by both parties.
3. Sort the documents according to title and staple each one separately. The originals of each form should be placed on top of its copies and then paper clipped together. **For example:** Place the original Motion on top with the stapled copies underneath, and paper clip them together. Repeat the procedure for the other forms.
4. Submit your documents for filing to the **Domestic Relations Division, Room 240**, Second Floor, of the Bernalillo County Courthouse, between the hours of **8:00am-4:00pm, Monday through Friday**.
5. A filing fee of **\$137.00** is not required when both parties stipulate (agree) to the modification. If the assigned judge has concerns, then a hearing for the Motion and Stipulation may be set. In this instance, a filing fee may be required and the party filing will be notified by the judge's trial court administrative assistant.
6. Go to the **Domestic Relations Division** and submit the *Order of Modification* with copies and ENDORSED copies of the *Motion* and *Stipulation*, and a *Child Support Worksheet* (if applicable). Inform the Receptionist of the name of the judge assigned to the case.
7. Return to the **Domestic Relations Division** in five working days to pick up your *Order of Modification* and other documents. If the Order has been signed, return to the **Domestic Relations Division** to file the original *Order of Modification* and the clerk will endorse the copies. At this time, the filing procedure will be complete.

## Frequently Asked Questions

1. ***What is a Motion?*** Motions are documents used to let the Judge and the other party know there is something that needs to be addressed, and that a hearing may be needed to try to resolve the problem. A Motion can be used before the case is finalized to get some immediate relief or to resolve an emergency situation. It is also used to reopen a case after it has been closed.
2. ***What is the case heading?*** The "heading" of the case is the top part that includes the Court, the Case Number, and the Names of the Petitioner and the Respondent. The heading remains the same *forever*. There is a heading at the beginning of each separate court document (pleading). The heading must be *exactly* like the heading in the original Petition. Do not change the names in any way. The original Petitioner is always the Petitioner, etc. Also, even though a party may have a legal name change, this change *will not* be shown in the heading. If the original Petition shows your name as "Jane Doe" you will continue to use "Jane Doe", even though you have now married Mr. Smith and now use the name "Jane Smith". You may add, n/k/a (now known as) "Jane Smith".
3. ***What is Burden of Proof?*** The person who files the Motion has the "Burden of Proof - that is, the responsibility of convincing the Judge that the Order is necessary. In many cases, the law requires that there be a "substantial change in circumstances" before a judge will change a previous order. The person who files a Motion to Modify a previous order of custody, timesharing, or support **MUST** prove a "substantial change in circumstances."
4. ***What do I need to do for a modification of child support?*** If a modification of child support is requested (whether an increase or a decrease), then the Child Support Guidelines are usually followed. Modification of child support amounts may be possible if there are "material and substantial changes in circumstances subsequent to the adjudication of the pre-existing order" (40-4- 11.4 NMSA). A deviation up or down of more than 20% of the current support payment and more than a year going by since the previous order is a type of "material and substantial change. The Child Support Guideline Worksheet (either Worksheet A or Worksheet B) must be completed to modify a child support order.
5. ***What are the Request and Notice of Hearing?*** The Request for Hearing and Notice of Hearing are two separate documents. You will fill out the request. Most of the time the Judges allow 15 to 30 minutes for a Motion. If you think you need more time than this, put in the time that you feel will be needed. Remember, if you want a hearing as soon as possible, it will be easier for the Judge to set a 30 minute hearing than to find room for a 2 hour case. You should also complete all blanks on the Notice of Hearing **EXCEPT** the date, time, and length of hearing.

## **Filing Proof of Service**

This means proving to the court that the other party was given notice of the legal proceeding.

To do this you must file the Proof of Service, Affidavit of Service (mail) and/or Affidavit of Publication. This sheet is a Supplement to the Motion to Modify Previous Decree/Judgment/Order.

Supplement to paragraph\_\_\_\_subparagraph\_\_\_\_on page\_\_\_\_\_.

#### **40-4-11.1. Child support; guidelines.**

A. In any action to establish or modify child support, the child support guidelines as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. Every decree or judgment or stipulation of child support that deviates from the guideline amount shall contain a statement of the reasons for the deviation.

B. The purposes of the child support guidelines are to:

- (1) establish as state policy an adequate standard of support for children, subject to the ability of parents to pay;
- (2) make awards more equitable by ensuring more consistent treatment of persons in similar circumstances; and
- (3) improve the efficiency of the court process by promoting settlements and giving courts and the parties guidance in establishing levels of awards.

C. For purposes of the guidelines specified in this section:

(1) "income" means actual gross income of a parent if employed to full capacity or potential income if unemployed or underemployed. The gross income of a parent means only the income and earnings of that parent and not the income of subsequent spouses, notwithstanding the community nature of both incomes after remarriage; and

(2) "gross income" includes income from any source and includes but is not limited to income from salaries, wages, tips, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, social security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, significant in-kind benefits that reduce personal living expenses, prizes and alimony or maintenance received, provided:

(a) "gross income" shall not include benefits received from 1) means-tested public assistance programs, including but not limited to, temporary assistance for needy families, supplemental security income and general assistance; 2) the earnings or public assistance benefits of a child who is the subject of a child support award; or child support received by a parent for the support of other children;

(b) for income from self-employment, rent, royalties, proprietorship of a business or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required to produce such income, but ordinary and necessary expenses do not include expenses determined by the court to be inappropriate for purposes of calculating child support;

(c) "gross income" shall not include the amount of alimony payments actually paid in compliance with a court order;

(d) "gross income" shall not include the amount of child support actually paid by a parent in compliance with a court order for the support of prior children; and

(e) "gross income" shall not include a reasonable amount for a parent's obligation to support prior children who are in that parent's custody. A duty to support subsequent children is not ordinarily a basis for reducing support owed to children of the parties but may be a defense to a child support increase for the children of the parties. In raising such a defense, a party may use Table A as set forth in Subsection M of this section to calculate the support for the subsequent children.

D. If a Court finds that a parent has willfully failed to obtain or maintain appropriate employment or is willfully underemployed, the court may impute to that parent and income equal to that parent's earning and employment potential.

(1) The following criteria shall be used:

- (a) availability of employment opportunities for the parent;
- (b) the parent's employment history;
- (c) the parent's income history;
- (d) the parent's job skills;
- (e) the parent's education;

(f) the parent's age and health;  
(g) the parent's history of convictions and incarceration; and  
(h) the parent's ability to obtain or maintain employment due to providing care for a child of the parties who is under the age of six or is disabled.

(2) Minimum wage may be imputed if a parent has no recent employment or earnings history and that parent has the capacity to earn minimum wage. The minimum wage to be imputed to that parent is the prevailing minimum wage in the locality where that parent resides.

E. Income may not be imputed to a parent if the parent is incarcerated for a period of one hundred and eighty days or longer. Incarceration is not considered a voluntary unemployment.

F. As used in this section:

(1) "children of the parties" means the natural or adopted child or children of the parties to the action before the court but shall not include the natural or adopted child or children of only one of the parties;

(2) "basic visitation" means a custody arrangement whereby one parent has physical custody and the other parent has visitation with the children of the parties less than thirty-five percent of the time. Such arrangements can exist where the parties share responsibilities pursuant to Section [40-4-9.1](#) NMSA 1978; and

(3) "shared responsibility" means a custody arrangement whereby each parent provides a suitable home for the children of the parties, when the children of the parties spend at least thirty-five percent of the year in each home and the parents significantly share the duties, responsibilities and expenses of parenting.

G. The basic child support obligation shall be calculated based on the combined income of both parents and shall be paid by them proportionately pursuant to Subsection L of this section.

H. Physical custody adjustments shall be made as follows:

(1) for basic visitation situations, the basic child support obligation shall be calculated using the basic child support schedule, Worksheet A and instructions contained in Subsection L of this section. The court may provide for a partial abatement of child support for visitations of one month or longer; and

(2) for shared responsibility arrangements, the basic child support obligation shall be calculated using the basic child support schedule, Worksheet B and instructions contained in Subsection L of this section.

I. In shared responsibility situations, each parent retains the percentage of the basic support obligation equal to the number of twenty-four-hour days of responsibility spent by each child with each respective parent divided by three hundred sixty-five.

J. The cost of providing medical and dental insurance for the children of the parties and the net reasonable child-care costs incurred on behalf of these children due to employment or job search of either parent shall be paid by each parent in proportion to that parent's income, in addition to the basic obligation.

K. The child support may also include the payment of the following expenses not covered by the basic child support obligation:

(1) any extraordinary medical, dental and counseling expenses incurred on behalf of the children of the parties. Such extraordinary expenses are uninsured expenses in excess of one hundred dollars (\$100) per child per year;

(2) any extraordinary educational expenses for children of the parties; and

(3) transportation and communication expenses necessary for long distance visitation or time sharing.

L. Whenever application of the child support guidelines set forth in this section requires a person to pay to another person more than forty percent of the paying person's gross income for a single child support obligation for current support, there shall be a presumption of a substantial hardship, justifying a deviation from the guidelines.

INSTRUCTIONS FOR WORKSHEET A

Line 1. Gross monthly income:

Includes all income, except TANF, food stamps and supplemental security income. If a parent pays child support by court order to other children, subtract from gross income. Use current income if steady. If income varies a lot from month to month, use an average of the last twelve months, if available, or last year's income tax return. Add both parents' gross incomes and put total under the combined column.

Line 2. Percentage of Combined Income:

Divide each parent's income by combined income to get that parent's percentage of combined income.

Lines 3 and 4. Basic Support:

Fill in number of children on worksheet (Line 3). Round combined income to nearest fifty dollars (\$50.00). Look at the basic child support schedule. In the far left-hand column of the basic child support schedule, find the rounded combined income figure. Read across to the column with the correct number of children. Enter that amount on Line 4.

Line 5. Children's Health and Dental Insurance Premium:

Enter the cost paid by a parent for covering these children with medical and dental insurance under that parent's column on Line 5. Add costs paid by each parent and enter under the combined column on Line 5.

Line 6. Work-Related Child Care:

Enter the cost paid by each parent for work-related child care. If the cost varies (for example, between school year and summer), take the total yearly cost and divide by twelve. Enter each parent's figure in that parent's column on Line 6. Add the cost for both parents and enter in the combined column on Line 6.

Line 7. Additional Expenses:

Enter the amounts paid by each parent for additional expenses provided by Subsection I of this section on Line 7. Add the cost for both parents and enter in the combined column on Line 7.

Line 8. Total Support:

Total the basic support amount from Line 4 in the combined column with the combined column on Lines 5, 6 and 7 and enter the totals in combined column on Line 8.

Line 9. Each Parent's Obligation:

Multiply the total child support amount on Line 8 by each parent's percentage share on Line 2, and enter each parent's dollar share under that parent's column on Line 9.

Line 10. Total Support:

Enter the total amount shown for each parent on Line 8 beside the "minus" marks on Line 10.

Line 11. Each Parent's Net Obligation:

For each parent, subtract the amount on Line 10 from the amount on Line 9. Enter the difference for each parent in that parent's column on Line 11. The amount in the box "other parent" is what that parent pays to the custodial parent each month. Do not subtract the amount on the custodial parent's Line 11 from the amount in the other parent's box. The custodial parent is presumed to use the amount in that parent's column on Line 11 for the children.

SHARED RESPONSIBILITY  
INSTRUCTIONS FOR WORKSHEET B

Part 1 - Basic Support:

Line 1. Gross Monthly Income:

Includes all income, except TANF, food stamps and supplemental security income. See text for allowed deductions from income. Use current income if steady. If income varies a lot from month to month, use an average of the last twelve months, if available, or last year's income tax return. Add both parents' gross incomes and put total under the combined column.

Line 2. Percentage of Combined Income:

Divide each parent's income by combined income to get that parent's percentage of combined income.

Lines 3 and 4. Basic Support:

Fill in the number of children on the worksheet (Line 3). Round combined income to nearest fifty dollars (\$50.00). Look at the basic child support schedule. In the far left-hand column of that schedule, find the rounded combined income figure. Read across to the column with the correct number of children. Enter that amount on Line 4.

Line 5. Shared Responsibility Basic Obligation:

Multiply the basic obligation on Line 4 by 1.5.

Line 6. Each Parent's Share:

Multiply the support amount on Line 5 by each parent's percentage share on Line 2, and enter each parent's dollar share under that parent's column on Line 6.

Line 7. Each Parent's Time of Care for Children:

Enter the number of twenty-four-hour days of responsibility that each parent has each child in a year according to the parenting plan.

Line 8. Percentage of Twenty-Four-Hour Days With Each Parent:

Divide each parent's number of twenty-four-hour days (Line 7) by three hundred sixty-five to obtain a percentage.

Line 9. Amount Retained:

Under shared responsibility arrangements, each parent retains the percentage of the basic support obligation equal to the number of twenty-four-hour days of responsibility spent by each child with each respective parent divided by three hundred sixty-five. Multiply each parent's share of basic support (Line 6) by the percentage in that parent's Line 8 and enter the result on that parent's Line 9. This is the amount that each parent retains to pay the children's expenses during that parent's periods of responsibility.

Line 10. Each Parent's Basic Obligation:

Subtract the amount retained by each parent for direct expenses (Line 9) from that parent's share (Line 6) and enter the difference on that parent's Line 10.

Line 11. Amount Transferred for Basic Support:

In shared responsibility situations, both parents are entitled not only to retain money for direct expenses but also to receive contributions from the other parent toward those expenses. Therefore, subtract the smaller amount on Line 10 from the larger amount on Line 10 to arrive at a net amount transferred for basic support.

Part 2 - Additional Payments:

Line 12. Children's Health and Dental Insurance Premium:

Enter the cost paid by a parent for covering these children with medical and dental insurance under that parent's column on Line 12. Add costs paid by each parent and enter under the combined column on Line 12.

Line 13. Work-Related Child Care:

Enter the cost paid by each parent for work-related child care. If the cost varies (for example, between school year and summer), take the total yearly cost and divide by twelve. Enter each parent's figure in that parent's column on Line 13. Add the cost for both parents and enter in combined column on Line 13.

Line 14. Additional Expenses:

Enter the cost paid by each parent for additional expenses provided by Subsection I of this section on Line 14.

Line 15. Total Additional Payments:

For each parent, total the amount paid by that parent for insurance, child care and additional expenses (Lines 12, 13 and 14). Enter the total in that parent's column on Line 15 and the total of both parents' expenses under the combined column on Line 15.

Line 16. Each Parent's Obligation:

Multiply the total additional payments (combined column on Line 15) by each parent's percentage share of income on Line 2, and enter each parent's dollar share of the additional payments on that parent's Line 16.

Line 17. Amount Transferred:

Subtract each parent's obligation for additional expenses (that parent's Line 16) from the total additional payments made by that parent (that parent's Line 15). The parent with a "minus" figure pays the other parent the amount on Line 17.

Part 3 - Net Amount Transferred:

Line 18. Combine Lines 11 and 17:

Combine the amount owed by one parent to the other for basic support (Line 11) and the amount owed by one parent to the other for additional payments (Line 17). If the same parent owes for both obligations, add Lines 11 and 17, and enter the total on Line 18. If one parent owes for basic support and the other owes for additional payments, subtract the smaller amount from the larger and enter on Line 18. Fill in the blanks by stating which parent pays and which parent receives the net amount transferred.
